The information requested in this form is necessary to provide you with proper advice and recommendations.

## **Estate Planning Process Overview:**

Whether you want a basic estate plan, or a more complicated estate or asset protection plan is needed, your personalized plan will most likely follow the outline below:

- <u>Initial Meeting</u>: Review and discuss your estate planning questionnaire and discuss the documents needed to meet your estate plan goals.
- Review Meeting(s): Following your initial consultation, a review meeting is scheduled to review drafts of your estate plan documents and answer any questions or concerns that you might have.
- <u>Signing Meeting</u>: After you have approved your estate plan documents, we will sign them at this meeting. Your estate plan documents become legally effective when you sign them.

After you have signed your estate plan documents, our office will prepare document books containing your plan for your records. Document books are usually processed and forwarded to clients within two weeks.
