Thank you for choosing our firm to assist you with your planning goals. The information you provide in this questionnaire will help you organize your personal and financial information so that we can properly assess your current situation and evaluate what estate planning documents can best serve your needs. The information requested in this form is necessary to provide you with proper advice and recommendations. We request that you complete Sections I through VI of this questionnaire to the best of your ability, and bring the same with the documents requested in Part IX, with you to your initial consultation. We will address the questions detailed in Sections VII and VIII at our meeting. If you haven't already scheduled your initial consultation, please contact my office at your convenience to do so.

General Timeline:

Whether you want just a basic Will, or a more complicated estate or asset protection plan is needed, our timeline for the preparation and completion of your personalized plan will most likely follow the format below:

- <u>Initial Consultation:</u> Review and discuss estate planning questionnaire, as well as discuss the appropriate documents to meet your estate plan goals. Please plan on about an hour for this meeting.
- Review Meeting. Immediately following your initial consultation, a review meeting is scheduled approximately two weeks from the date of your initial meeting. This meeting will be spent reviewing drafts of your estate plan documents as well as answering any questions or concerns you might have.
- Execution Meeting. Within a week or two of your review meeting, an execution meeting will be scheduled. Once you sign your estate plan documents they become legally effective.

After you have signed your estate plan documents, our office will prepare document books containing your plan for your records. Document books are usually processed and forwarded to clients within a week or two of the signing meeting.
